CALIFORNIA LEGISLATURE—2009—10 REGULAR SESSION

ASSEMBLY BILL

No. 598

Introduced by Assembly Member De La Torre

February 25, 2009

~~An act to amend Section 14166.2 of the Welfare and Institutions Code, relating to Medi-Cal. An act to add Division 110.5 (commencing with Section 130350) to the Health and Safety Code, relating to public health.~~

LEGISLATIVE COUNSEL'S DIGEST

AB 598, as amended, De La Torre. ~~Medi-Cal demonstration project: hospital funding.~~ *California Health Information Network.*

Existing law establishes the Office of Health Information Integrity within the California Health and Human Services Agency to ensure the enforcement of state law mandating confidentiality of medical information and to impose administrative fines for the unauthorized use of medical information.

This bill would establish the California Health Information Network and the California Health Information Standards Advisory Board within the California Health and Human Services Agency with prescribed duties related to making recommendations for the adoption of health information exchange standards and would require the secretary to report annually to the Governor and the Legislature regarding progress at meeting the goals of the bill, including, but not limited to, recommendations relating to necessary statutory changes.

~~Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Care Services and under which qualified low-income persons receive health care benefits. The~~

Medi-Cal program is, in part, governed and funded by federal Medicaid provisions.

~~Existing law establishes the Medi-Cal Hospital/Uninsured Care Demonstration Project Act, which revises hospital reimbursement methodologies under the Medi-Cal program in order to maximize the use of federal funds consistent with federal Medicaid law and stabilize the distribution of funding for hospitals that provide care to Medi-Cal beneficiaries and uninsured patients. This demonstration project provides for funding, in supplementation of Medi-Cal reimbursement, to various hospitals, including designated public hospitals, nondesignated public hospitals, and private hospitals, as defined in accordance with certain provisions relating to disproportionate share hospitals.~~

~~This bill would require the department, by September 1, 2010, to the extent necessary to continue the demonstration project, to submit to the federal Centers for Medicare and Medicaid Services proposed amendments to the Medi-Cal state plan.~~

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

12 ~~(b) The director may modify any process or methodology~~
